Prayer of Confession in Response to God's Grace

*Trusting you does not always come easy when each day we are faced with the ugliness of the world. We do not believe that love conquers fear. We are not convinced that power comes through weakness. We cannot conceive the many ways you could heal us. Forgive our lack of faith, O God, and renew our trust in you, for we want to be disciples of Jesus, in whose name we pray. Amen.*

\*Response (here and on screen) – *Glory to God, Whose Goodness Shines on Me*  
by Paul M. Vasile

*Glory to God, whose goodness shines on me,  
and to the Son, whose grace has pardoned me,  
and to the Spirit, whose love has set me free.  
As it was in the beginning, is now and ever shall be. Amen.*

*World without end, without end. Amen.  
World without end, without end. Amen.  
World without end, without end. Amen.  
As it was in the beginning, is now and ever shall be. Amen.*

# JUNE MISSION FOCUS: Dominican Republic

**Updated May 2024:**

In 1996, Rev. Bill McCoy, then pastor of NWPC, and Jill Jack, a member of Session, travelled with Rev. Doug Pride, pastor of the Presbyterian Church in Clearfield, PA along with several members from that church on a fact-finding trip to Sabaneta de Yásica in the Dominican Republic. Their goal was to establish a partnership with the Evangelical Dominican Church in that village, under the leadership of Pastor Manual Angel Cancú. The idea was for the church folks to work with the Dominican congregation as they shared the news of Jesus Christ with the people of Sabaneta de Yásica. The mission partnership has focused on three areas:

1. Education: Partner congregations provide financial assistance to students to help reduce the cost of their education. These students have mostly attended the Christian school in Sabaneta de Yásica, but many have continued to pursue college degrees. During our annual mission trip, group members lead Bible School and also work with our Dominican partners to organize the scholarship program for the coming year.
2. Construction: The construction group has built a church, a three-story school building, and several chapels throughout the area. More recently, our group has helped with the repair of houses and the installation of cement floors in homes with dirt floors, while our partners have been busy raising the church building above the floodplain.
3. Medicine: Each year our mission team brings suitcases full of medicine and medical equipment to Sabaneta de Yásica. Our medical team of doctors, therapists, pharmacists, and other specialists make use of these supplies in clinics and home visits while we are in the DR, while our Dominican partners are able to work with local doctors to distribute this medicine over the course of the rest of the year.

We work annually with our Dominican friends and they look forward to the arrival of “the missionaries” who come for a week each spring, and leave behind doctors (at least two from the church there have become medical doctors), many teachers for both the Christian and government schools, and a vital church whose ministry in the community is a light in the world for Jesus Christ. This is a new wave of mission: a congregation in one location working with a congregation from another part of the world, together, spreading the love of Jesus Christ.

## Support our partners in the Dominican Republic through Student Scholarships

Are you an advocate for education or maybe just excited about the work we continue to do alongside our partners in the Dominican Republic? Having Marleny Thomas in town this past Sunday was an amazing reminder of what God can do in the lives of others when we are willing to go where He sends us and give as He leads us. As such, we are again asking for the Congregation's assistance in sponsoring a student's education at the Christian school in Sabaneta de Yasica. These scholarships not only help the students and their families, but also the greater community as well. If you would like to make any donation towards this ministry, checks can be made payable to NWPC, with "DR scholarship" in the memo. Please have donations turned in by August 14<sup>th</sup>, as school starts shortly thereafter. Full scholarships are \$350 each for the 27 Preschool through 6<sup>th</sup> grade students, \$450 each for 18 secondary school students, and \$320 each for 18 university students, but ANY amount is appreciated.

*Thank you for your generosity in this vital education ministry!*

**A CARE PORTAL THANK YOU** from Jackie Pontius,  
Lawrence County Complex Case Manager/CASSP Coordinator, Lawrence County MH/DS

*New Wilmington Presbyterian has blessed SO many children living in Lawrence County. I continue to be astounded by the number of children who do not have clean beds to sleep in at night.*

*After working in this field for 25+ years, I know there are so many areas of these children's lives that won't change because of the circumstances they were born into. Some days it can wear you down and you wonder if you are making any progress. But, on the days I see an email from you, I remind myself how many good people are fighting for these kids.*

*Thank you to your assembly/delivery team, and your congregation for all you do!!*
