# WORSHIP NOTES

May 11, 2025

**If you are a guest today**, we pray God will bless you through your presence with us. Please sign the pew pad, including contact information, so we may welcome you. **Assistance for worship:** large print bulletins are in the bulletin racks; personal audio receivers providing sound amplification are at the “sound booth” at the back of the sanctuary.

## For children:

1. **The Nursery** (infants – age 3) is located through the side doors of the sanctuary to the left of the pulpit area, Room 212. Alasdair Camlin and an adult volunteer will be in the nursery.
2. Families of **4 to 6-year-old children** are welcome to use Room 215, next to the NWPC Preschool classroom, during the service. A parent/guardian must be present at all times. Please feel free to use the toys, games and art supplies in the labeled cupboards. Kindly return everything at the end of the service.
3. **Doodle boards for kids of all ages** to use during the service are located on either side of the transept. Children and/or parents can choose an activity page plus there is a small snack and occasional surprise inside to occupy small hands during the service. We cherish our youth and hope this is one more way that they feel at home amongst their church family.
4. **Children's Church** (ages 4 years – grade four), meets in Room 213 during the middle part of the adult worship service.

**The flowers** are given in honor of Jill Mohr's dedicated service to the church preschool as Teacher Assistant. *Thank you, Jill! Happy Retirement.*

## ANNOUNCEMENTS

**SALT** has begun conversation based on the book *How We Learn to Be Brave*, by Bishop Marianne Budde. Bishop Budde, who implored Donald Trump to "have mercy," explores the full range of decisive moments, from the most visible and dramatic, to the internal and personal, to brave choices made with an eye toward the future, those born of suffering, and those that come unexpectedly. Drawing on examples ranging from Harry Potter to the Gospel According to Luke, she seamlessly weaves together personal experiences with stories from scripture, history, and pop culture to underscore both the universality of these moments and the call each one of us must heed when they arrive. SALT convenes via Zoom at 9:20am. Contact Jim Hines for a link, [jhines55@hotmail.com](mailto:jhines55@hotmail.com).

## May Mission Flag Focus: Dominican Republic

(Updated May 2025)

In 1996, Rev. Bill McCoy, then pastor of NWPC, and Jill Jack, a member of Session, travelled with Rev. Doug Pride, pastor of the Presbyterian Church in Clearfield, PA along with several members from that church on a fact-finding trip to Sabaneta de Yásica in the Dominican Republic. Their goal was to establish a partnership with the Evangelical Dominican Church in that village, under the leadership of Pastor Manual Angel Cancú. The idea was for the church folks to work with the Dominican congregation as they shared the news of Jesus Christ with the people of Sabaneta de Yásica. This mission partnership has focused on three areas:

1. Education: Partner congregations provide financial assistance students to help reduce the cost of their education. These students have mostly attended the Christian school in Sabaneta de Yásica, but many have continued to pursue college degrees. During our annual mission trip, group members lead Bible School and also work with our Dominican partners to organize the scholarship program for the coming year.
2. Construction: The construction group has built a church, a three-story school building, and several chapels throughout the area. More recently, our group has helped with the repair of houses and the installation of cement floors in homes with dirt floors, while our partners have been busy raising the church building above the floodplain.
3. Medicine: Each year our mission team brings suitcases full of medicine and medical equipment to Sabaneta de Yásica. Our medical team of doctors, therapists, pharmacists, and other specialists make use of these supplies in clinics and home visits while we are in the DR, while our Dominican partners are able to work with local doctors to distribute this medicine over the course of the rest of the year.

We work annually with our Dominican friends and they look forward to the arrival of “the missionaries” who come for a week each spring. The impact of the financial support our congregations have been able to provide is enormous. We have funded the education of doctors (at least two from the church there have become medical doctors), many teachers for both the Christian and government schools, and many other professionals in a vital church whose ministry in the community is a light in the world for Jesus Christ.
