GATHERING AROUND THE WORD

*Call to Worship (Psalm 75:1-3)

L: We give thanks to you, O God.

P: We give thanks to you, for your name is near; we tell of your wondrous works.

L: At the set time the Lord appoints, he will judge with equity.

P: When the earth and all its inhabitants shake, the Lord is the one who steadies its pillars.

*Hymn (on screen) – *We Praise You, O God*

*Unison Prayer of Confession in Response to God's Grace:

Holy and righteous judge of the nations. God of love and justice, we enter your courtroom with hearts smitten bearing the grief of our own sin. We know we are guilty. We are not so foolish to think we can ignore our ignorance. We fully acknowledge we have judged with tainted hearts and objectified bias. We have elevated ourselves above others and peered down our noses with capricious arrogance upon those around us. Forgive us Lord. You are the final arbiter and the one who is fully just. Expunge our guilt and wash us clean in your mercy through Jesus Christ we pray. Amen.

*Assurance of Pardon

*Response (on insert and screen) – *Glory Be to the Father*

***Glory be to the Father, and to the Son, and to the Holy Ghost;
As it was in the beginning, is now, and ever shall be,
World without end. Amen, Amen.***

RESPONDING TO GOD'S WORD

*Hymn (on screen) – *Savior, Like a Shepherd Lead Us, vs. 1 & 3*

*Affirmation of Faith (A portion of the Confession of '67):

God's sovereign love is a mystery beyond the reach of man's mind. Human thought ascribes to God superlatives of power, wisdom, and goodness. But God reveals his love in Jesus Christ by showing power in the form of a servant, wisdom in the folly of the cross, and goodness in receiving sinful men. The power of God's love in Christ to transform the world discloses that the Redeemer is the Lord and Creator who made all things to serve the purpose of his love.

WORSHIP NOTES

If you are a guest today, we pray God will bless you through your presence with us. Please sign the pew pad, including contact information, so we may welcome you.

Assistance for worship: large print bulletins are in the bulletin racks; personal audio receivers providing sound amplification are at the “sound booth” at the back of the sanctuary.

For children:

1. **The Nursery** (infants – age 3) is located through the side doors of the sanctuary to the left of the pulpit area, Room 212. Alasdair Camlin and an adult volunteer will be in the nursery.
2. Families of **4 to 6-year-old children** are welcome to use Room 213, next to the nursery) if needed during the early part of the worship service, with a parent or guardian present. When JAM begins around 10:45 in that space, we welcome and encourage your children to stay and participate!
3. **Doodle boards for kids of all ages** to use during the service are located on either side of the transept. Children and/or parents can choose an activity page plus there is a small snack and occasional surprise inside to occupy small hands during the service. We cherish our youth and hope this is one more way that they feel at home amongst their church family.

Dear Root International Friends,

Please consider helping in the Venezuela relief effort. Please see the attached document which is the personal testimony of Christian family members of a local family who lost everything in the earthquake.

Please pray. It is hard to even imagine the suffering and hardship and the heartache of the loss of so many family and friends.

An account has been established for donations toward the relief effort. 100% of the donations will be passed on to those in need.

June 30 at 9:42 AM · A SECOND TRAGEDY IS UNFOLDING IN VENEZUELA: OUR CHILDREN.

The initial earthquakes are over, but the most dangerous phase for the most vulnerable has just begun. According to

UNICEF, over 3.9 million children live in the areas severely affected by the 7.5 and 7.2 magnitude quakes. In the midst of absolute chaos, thousands of children have been separated from their families.

The real threat: Human trafficking networks operate in the shadows, taking advantage of the structural collapse. If these children are not identified and reunited with their families immediately, the humanitarian disaster will be irreversible.

The legal void: Venezuela's current child protection laws (LOPNNA) were designed for individual cases, NOT for a massive disaster affecting thousands of children simultaneously. An international emergency protocol and a 24/7 Coordination Center are urgently needed to identify, protect, and reunite them.

Because the local system cannot respond to this scale, the pressure must come from the outside. Every single hour counts.

TBFRescue and AERIAL RECOVERY along with Sound of Freedom Foundation are collecting all the intel right now as our operators are deploying from different regions in Latin America And the US. Please pray for the children, the families of Venezuela and our teams as we work through this 🙏 thank you.

Also...

Look up TIM BALLARD on facebook. You'll find several videos--- Tim Ballard did the movie Sound of Freedom a few years ago, about rescuing trafficked children.
